Dear Brad,

This letter of thanks is long overdue. Over the past five years, Omaha Media Group (OMG) has blessed the ministry of Rainbow Trail Lutheran Camp in so many ways. The gifts that you have provided have given us the technological tools to provide great leadership and to also capture the essence of our ministry to share with those who are considering attending our programs.

Whether it was Mac laptops that allowed our executive staff to be nimble in their serving or the gift of drones that allowed us to share unique perspectives of our ropes course and other aspects of our ministry, your gifts have enhanced nearly every aspect of Rainbow Trail. Thanks to your generosity, this organization runs more fluidly and efficiently. Your gifts have kept us on the front edge of technology with reliable equipment that is current and trustworthy.

The ministry of RTALC is an instrument for God to change lives. I get to see it every week of our summer. Kids are changed because they experience unconditional love. It is the greatest gift we can give them. I hope you realize the huge part that OMG has played in helping that happen.

Thank you from the bottom of my heart. I thank you, but our 7 full-time staff, our 65 summer staff, and the literally thousands of campers that we serve every summer thank you! You have been a blessing!

Brad, I hope that you will continue to send your children here and allow us to serve them each and every summer! It is an honor to have OMG as a partner in our ministry.

I look forward to seeing you this summer!

Sincerely,

David K. Jarvis
